SunPower® Complete Confidence Panel Warranty

A better warranty starts with a better product.

More Lifetime Energy
Up to 8% more energy in the same space over 25 years compared to Conventional mono PERC Panels.¹

 Trusted Durability
Engineered to stand up to environmental stresses such as daily temperature swings, shading and high humidity.

Proven Reliability
Performance panels are the most deployed shingled solar panel in the world.²

Top Performer in all DNV GL Module Reliability Scorecard test results (2018).

SunPower’s Complete Confidence Panel Warranty provides industry-leading 25-year power, product and service coverage. We have absolute confidence in our panels’ ability to deliver more energy and reliability over time.

Power
Higher power output than conventional power warranties: 82.6% in year 25.

Product
Coverage for defects related to workmanship and materials for 25 years, versus the typical 10-year warranty of conventional panels.

Service
Repair, replacement or reimbursement for any defective panel for 25 years, hassle-free.³
